Dear Sir
Mr Edwin A Doolittle intends commencing
the study of Law and feels desirous of boarding
with his parents if practicable during the time
of his studying. Harry Pierce & myself suggested
to him that perhaps you might be willing
to have him keep your office open here
make use of your library and assist
you in whatever business you may have to
do in town. Please write us when you will
be in town and if you are not coming
soon Mr D would be pleased to have you
state your views of the proposition also. Terms
&c. It occurred to me that he might
be useful to you & that it would be of
benefit to the library to be opened & aided

Truly Yours
